SKB Flat Screen Transport Series

3SKB-2026

Specifications

Lid Depth	TBA	TBA	Product Weight	36.85 lb	16.71 kg
Base Depth	TBA	TBA	Shipping Weight	38.00 lb	17.24 kg
Interior Length	30.00 in	76.20 cm	Color	Black	Black
Interior Width	9.00 in	22.86 cm			
Interior Depth	20.00 in	50.80 cm			
Interior Cu. Volume	3.13 cu ft	0.09 cu m			
Exterior Length	34.50 in	87.63 cm			
Exterior Width	13.00 in	33.02 cm			
Exterior Depth	30.00 in	76.20 cm			
Exterior Cu. Volume	7.79 cu ft	0.22 cu m			

Description

Accommodating 20" to 26" LCD screens, the 3SKB-2026 LCD Screen Case is rotationally molded of LLDPE Polyethylene for strength and durability. The interiors are designed to hold LCD screens in the desirable upright position with a universal interior foam padding system designed to configure easily for customized protection. The 3SKB-2026 LCD Screen Case offers superb quality and construction and can be shipped standard UPS or Fed X.

The case features a weather resistant gasketed tongue and groove valance, upgraded bumper protected heavy-duty twist latches with a padlockable latch on each side, easy glide wheels for easy maneuvering, and two durable cushioned rubber over-molded handles providing the perfect solution for storing your LCD screens in the storeroom or transporting to the trade show or conference center.
