### Description

The interior of this large format LCD case features foam padding system that is designed to hold one or two monitors from 52" to 60" in the desirable upright position.

This Large LCD monitor case is rotationally molded of LLDPE Polyethylene for strength and durability with a weather resistant gasketed tongue and groove valance, heavy-duty twist latches that will accommodate a customer supplied padlock on each side, forklift rails for convenient transport, two cushioned rubber over-molded lift handles on each side for a two man lift and edge wheels and convenient tow handle; perfect for storing your large format monitors in the storeroom or maneuvering to trade shows or events. The 3SKB-5260 LCD Monitor case offers quality construction, is made in the USA and is shippable by LTL truck only.
