Description

Pelican Long protector cases are built in America with military standards and specifications. They are waterproof, dustproof, and crushproof. Load up rifles, weapons, or even trade show equipment in soft, shock absorbing foam. These are favorites of the military because they get the job done and they last forever no matter how much abuse they take.

Features

- Four strong polyurethane wheels with stainless steel bearings
- Heavy duty fold down tow handle at top
- Watertight, airtight, dustproof, chemical resistant and corrosion proof case
- Pad lockable with stainless steel protected hasps
- Injection molded ultra-high impact structural copolymer exterior
- Easy open double throw latches
- Fold down, comfortable rubber over-molded handle
- Stainless steel hardware
- Air pressure equalization valve
- Unbreakable crushproof exterior
- Base and Lid are split 50/50 for easy loading heavier items.
- Completely detachable lid for full access
- Lifetime Warranty
- Four extra deep base to lid locking cleats for stacking
- Interior Options: No Foam, Pick N Pluck Foam, Rifle Hard Liner and Soft Foam Liner
